

# Make Me an Instrument

Ragamuffin Band 2000

Lord make me an instrument of your peace  
Where there's hatred let me sow love  
And where there's injury, pardon  
And where there is doubt, then faith  
And where there's despair, then hope

It's in dying that I will be born  
And in giving that I will receive  
It's in loving that I will be loved  
This is my faith  
It is what I believe  
Lord make me an instrument  
Lord make me an instrument

Lord I am a stranger traveling  
In a brutal yet wondrous land  
Far from the promise of home  
On a journey led by your hand  
To where the lion lies down with the lamb  
Father grant that I'd never seek  
To be comforted as to console  
Let the blood of your Son cover me  
Touching my spirit  
Seizing my soul

Lord make me an instrument  
Lord make me an instrument  
Lord make me an instrument  
Lord make me an instrument  
Let your divine mystery guide my heart  
It's in dying that I will be born  
And in giving that I will receive  
It's in loving that I will be loved  
This is my faith  
It is what I believe

Christ within me  
Christ before me  
Christ behind me  
Christ above me  
Christ beneath me  
To my and to my right  
Christ where I lie  
And where I arise  
Christ in the hearts of all who think of me  
Christ on the lips of all those who speak of me  
Christ in the eyes of all those who see me

Make me your instrument Lord  
Make me your instrument Lord  
Make me your instrument Lord  
Make me your instrument Lord  
Make me an instrument  
Make me an instrument  
Make me an instrument
