

## **1. CHILL... DON'T KILL -GOD**

Ever heard of the Ten Commandments? Oh you saw the video? Well, this is Commandment #6. I don't just want you not to kill one another. I want you to LOVE one another. To love your neighbor as yourself. Yes...to even love your enemies. That's the only way to change their hearts and be part of my family. I, God, gave you the gift of life and you don't have the right to take it from anyone else.

The world is getting too full of people who HATE and kill one another. Some of them have the nerve to say they are doing it in My name, but don't believe them. The minute they chose the path of hate they cut me outta their RELIGION. Their actions proved that they have no room for me in their lives. Do you want to be part of a loving family? Don't join a gang or even a religion. Start a RELATIONSHIP with Me. And it starts by just rapping with me. Some people call it PRAYING. Read my Bestseller- the Bible. You'll learn to LOVE Me and your NEIGHBOR the way that I love you, unconditionally. Instead of taking life, learn to give your life to others and expect nothing in return. Before you know it, it'll stop looking like a war zone down there and more like MY PLACE.

*The greatest love you can have for your friends is to give your life for them.- N.T. John 15:13.*

*Dear friends, let us love one another, because love comes from God. Whoever loves is a child of God and knows God. Whoever does not love does not know God, for God is love.- N.T. 1 John 4:7-8.*

## **2. SEARCHIN FOR THE ULTIMATE HIGH? -GOD**

I know some people get high to escape the terrible meaninglessness and pointlessness of their lives. They can't bear to face the reality they have created for themselves because they have cut me out of their life. Other people get "high" to escape the awful emptiness and pain of not being loved. Hey, I'm up here. I LOVE you and I have an exciting plan for your life. I created you and you are absolutely unique. I gave you special talents and gifts that are all your own. There is no one else in the world just like you. I also have a special purpose for your life and I'm the only one who can show you what that is. Lets talk. If you only knew all the things you are capable of, you'd stop trying to escape reality and take hold of it with both your arms and legs and experience the ride of a lifetime. In every life there is going to be some pain and sorrow but with Me on your side you cannot be defeated.

*Call to me and I will answer you; I will tell you wonderful and marvelous things that you know nothing about.- Jer33:3*  
*For I am certain that nothing can separate us from his love; neither the present nor the future, neither the world above nor the world below- there is nothing in all creation that will ever be able to separate us from the love of God which is ours through Christ Jesus our Lord -N.T. Romans 8:38-39*

## **3. LOOKING FOR A PHAT PLACE TO HANG? -GOD**

Where do you hang? I'm asking you this question because I know that where you hang out has a lot to do with who you hang out with- my people or SATAN'S -people who LOVE you or people who use you. If you hang out in my crib, you'll see that my people always want what is best for you. They always pick you up when you are down and encourage you when you are bummed out. They won't always give you what you want but they'll definitely give you what you need. There's not a rave out there that can give you what you can get when you hang at my crib... now that's what I call PHAT (Pretty Hot And Tempting)!

When you hang with me you're hanging with the best. You'll start meeting other people who want to do the same thing and bring a little bit of HEAVEN right there on Earth. You can find them in Churches and Synagogues where my Name is honored and my Word, the BIBLE, is obeyed. They'll love you because I love you. They'll challenge you to be your best not just on the sports field but as a human being. They'll lift you up when you are down. They'll direct you to the truth of My Word when you are lost, and they'll PRAY for you when you are hurting. They'll be your spiritual brothers and sisters. Not just while you're on Earth- but for eternity. That's a long time. No, they won't be perfect. But neither are you. That "sin" thing you know. But you'll be stronger and better because of them. You will be all that you can be.

So head down to my crib and hang out. It'll be well worth the trip.

*Some friendships do not last, but some friends are more loyal than brothers.-O.T. Proverbs 18:24*

*Let us be concerned for one another, to help one another to show love and to do good. Let us not give up the habit of meeting together, as some are doing. Instead, let us encourage one another all the more, since you see that the Day of the Lord is coming nearer.- N.T. Heb 10:24-25*

#### **4. HATE IS NOT MY RAP- GOD**

Ever hear how much HATE is sung over the radio waves? I mean really, wuzup with that? The flower children of the 60s might have been a little spaced out but at least they had the right lyrics. LOVE, PEACE & HAPPINESS that's my rap and that's what I want for you. You do want to be happy don't you? I know you've got issues. I know life's battered you around some. But I've got great things in store for you if you'll just trust me.

You see, you can't experience the kind of happiness I want for you if you're letting hate fill your heart. There's no justifying hate...not even if someone has done something totally bogus to you. In fact, I'm asking you to act in the opposite extreme of your feelings... I want you to LOVE them...love them into changing. The only way to get rid of hate in the world is by winning those who choose to hate over with love. Sometimes it is a slow process and it takes some hard work and guts. But if I'm willing to do it, so should you.

Want to be on my team and help change the world? Here's my secret formula:

*"You have heard that it was said, 'Love your friends, hate your enemies.' But now I tell you: love your enemies and pray for those who persecute you, so that you may become the children of your Father in heaven. For he makes his sun to shine on bad and good people alike, and gives rain to those who do good and to those who do evil. Why should God reward you if you love only the people who love you? Even the tax collectors do that! And if you speak only to your friends, have you done anything out of the ordinary? Even the pagans do that! You must be perfect- just as your Father in heaven is perfect".-*  
**N.T. Matthew 5:43-48.**

P.S. It takes a lot more guts to forgive and leave the judging to me than to take the law into your own hands. Are you big enough to do that? I know someone who was...

*Jesus said, "Forgive them, Father! They don't know what they are doing". N.T. Luke 23:34*

#### **5. THINK I PLANTED SOME STUFF DOWN HERE FOR YOU TO SMOKE? NOT!! -GOD**

On the second day I created, among other things, all the plant life that is now on earth. Did I say smoke it? No. Check my word out for yourself (Genesis 1)...nowhere will you find anyone that rolled a fat blunt or packed a pipe and began tokin. The truth is that I love you so much that I want to become closer to you and I don't want anything to separate us. Anything that separates us is called SIN.

DRUGS separate the two of us. If you really want to get high, forget the drugs and spend some time getting to know me. Through earnest Bible study and heartfelt prayer, you will achieve the kind of rewarding, life affirming high that no drug can ever offer. I promise. And I ALWAYS keep my promises.

*Sin must not be your master; for you do not live under law but under God's grace. N.T. Romans 6:14*

*So then, my friends, we have an obligation, but it is not to live as our human nature wants us to. For if you live according to your human nature, you are going to die; but if by the Spirit you put to death your sinful actions, you will live. Rom8:12,13*

#### **6. CASUAL SEX IS ON MY LIST OF DEADLY SINS -GOD**

In case you don't know it, there is nothing casual about sex. Sex is the most intimate and tender physical expression of emotional and spiritual LOVE that can be achieved by a man and a woman. It breaks my heart that so few ever experience the incredible joy that I intended for them because they threw away their most precious gift on someone who was just using them to satisfy their own selfish desires.

**POP QUIZ: What is the one gift you can only give away once?**

**Your virginity!**

And it's really the most valuable gift you'll ever give away. Do you want to throw it away on someone who could care less about you? Or save it up and give it all to that one special soul-mate that I have created just for you who will make you happier than you ever dreamed possible? It's your body and your choice. But choices have consequences and I want to spare you the pain of the wrong choice. The only way you'll ever be sure that someone is Mr. or Miss. Right is when they walk down the aisle and, in My presence and the presence of other witnesses, promise to love, honor and cherish you till death do you part. Everything else is just a lot of hot air.

P.S. If you have already given your gift away, remember- I am the God of second chances. I can forgive you and declare you pure once again if you'll only PRAY and ask me. Then you can start over again with a clean slate and begin saving yourself for that special soul-mate that I have waiting for you.

*Then the man said, "At last, here is one of my own kind- Bone taken from my bone, and flesh from my flesh." 'Woman' is her name because she was taken out of man." That is why a man leaves his father and mother and is united with his wife, and they become one. O.T. Genesis 2:23-24.*

## **7. FEELING YANKED IN THE WRONG DIRECTION? -GOD**

I gotta tell ya, I've watched a lot of people who are supposed to be the "grown ups" down there really screw things up and I know they're making it very hard for you to tell the difference between what is right and what is wrong. When that line between right and wrong becomes blurred, it's easy to be yanked in the wrong direction. Well, the BIBLE is my "hand" book and I want you to take it, grab hold of it, and never let it go. I won't mince words here... I know what is right and what is wrong and I want to share it with you. I want to walk with you, hand in hand, every morning, every evening and every moment in between and show you how you can live a life that is rewarding, uplifting and satisfying. I don't want to just make you happy... I want to give you inner peace... I want you to experience JOY! If you take my hand, I will strengthen you when you feel weak... especially when others want you to do things that you know I would not approve of. When you're feeling yanked in the wrong direction, I will give you the power to yank back. Keep yanking back in my direction and you'll have that JOY in no time at all!

*If you listen to me, you will know what is right, just and fair. You will know what you should do. You will become wise, and your knowledge will give you pleasure.- O.T. Proverbs 2:9,10.*

*I have taught you wisdom and the right way to live. Nothing will stand in your way if you walk wisely, and you will not stumble when you run.- O.T. Proverbs 4:11-12*

*I have much more to tell you, but now it would be too much for you to bear. When, however, the Spirit comes, who reveals the truth about God, he will lead you into all the truth. - N.T. John 16: 12-13a*

## **8. PARENTS SPLIT? I'LL KEEP YOU TOGETHER -GOD**

It breaks my heart to see the lives of kids like you torn apart by parents who can't get along. When I invented marriage it was supposed to be forever, but I couldn't stop people from being selfish, self centered, and from using one another to satisfy their own needs and desires. The problem is most people love themselves more than they love their husband or wife - sometimes even more than they love their kids. They demand their own way rather than serve one another in LOVE. I am sorry you have been caught in the middle. But just know this: I love you and I am here for you. I will always be here for you. And you don't have to contact me on the internet. I'm just a PRAYER away. And don't worry about the time... I'm always up and I'll always listen.

*I alone know the plans I have for you, plans to bring you prosperity and not disaster, plans to bring about the future you hope for.- Jeremiah 29:11.*

P.S. When you grow up don't make the same mistakes your parents did. Show your parents what real love is all about. There is still hope for them yet... I haven't given up on them... don't you.

*Love is patient and kind; it is not jealous or conceited or proud; love is not ill-mannered or selfish or irritable; love does not keep a record of wrongs; love is not happy with evil, but is happy with the truth. Love never gives up; and its faith, hope, and patience never fail. N.T. 1 Corinthians 13:4-7*

## **9. YOU CAN RUN, BUT YOU CAN'T HIDE FROM ME -GOD**

Being God, I know why you would want to run from me. Adam and Eve both tried to hide from me when they heard me approaching. You see me as this...well...this...God who has all these rules. And you don't like my rules because if you followed them, you think you wouldn't have any fun. So you avoid me at all costs. You don't want to talk about me. Hear about me. You just want to hide from me. But what you don't see is how much I love you and that I want only the best for you. And there are times when you know in your heart that I don't approve of what you're doing (that conscience thing...that's Me!). It's not because I don't want you to have any fun. It is because I know that the things you are chasing after will never make you truly happy. They'll only hurt you and others. You see, I know everything before it happens. I'm OMNISCIENT. That means I know everything before it even happens. I want to spare you the pain I see up ahead. You have to trust me on this one. You have to have FAITH that I only want to protect you. Don't run from Me. Run to me and experience true LIFE, LOVE and JOY.

*Where could I go to escape from you? Where could I get away from your presence? If I went up to heaven, you would be there; if I lay down in the world of the dead, you would be there. If I flew away beyond the east or lived in the farthest place in the west, you would be there to lead me, you would be there to help me. I could ask the darkness to hide me or the light around me to turn into night, but even darkness is not dark for you, and the night is as bright as the day. Darkness and light are the same to you. You created every part of me; you put me together in my mother's womb. I praise you because you are to be feared; all you do is strange and wonderful. I know it with all my heart. When my bones were being formed, carefully put together in my mother's womb, when I was growing there in secret, you knew that I was there- you saw me before I was born. The days allotted to me had all been recorded in your book, before any of them ever began. -Psalm 139*

## **10. I'M EVERYBODY'S HOMEY -GOD**

That's right, I'm everybody's homey. Black, white, Asian, Latino, Indian, rich, poor and everything in between... I made you all. So you can understand why I get upset when I see the things that you do to each other. I gotta be real clear on this... when you do something to hurt someone else, you're hurting me. Do you understand that? When you make fun of that kid in school with your "kewl friends"... you make fun of me (by the way, they're far from kewl!). When you jack a CD from Wal-Mart... you jack it from me. When you... aw forget about it cause I could go on forever (literally)... let's just say that the things that some of you have done to me... well, I don't even want to go there. I just don't want to see this kind of stuff go on in your life anymore. So start treating each other like we're all each other's homeys. Even if someone has hurt you, show them real forgiveness. Sure, given your circumstances, it may be tough at first, but if you put your trust in me, I can and will help you. And the rewards will be heavenly!

*Remember that the Lord your God is the only God and that he is faithful. He will keep his covenant and show his constant love to a thousand generations of those who love him and obey his commands- O.T. Deuteronomy 7:9*

*The King will reply, "I tell you, whenever you did this for one of the least important of these followers of mine, you did it for me!" -N.T. Matthew 25:40*

*Instead, as the scripture says; "If your enemies are hungry, feed them; if they are thirsty, give them a drink; for by doing this you will make them burn with shame." Do not let evil defeat you; instead, conquer evil with good.- Rom 12:20,21*

## **11. I KNOW WHAT YOU'RE GOING THROUGH**

### **- I HAVE A SON -GOD**

I know you're thinking, "But you're God! How can you have any idea what it's like to be me? How can you know what I'm *feeling* right now?" Well, you should know that I have personally experienced what it's like to be human. I have experienced the pain and pleasures that you yourself have experienced. How is this possible? I'll tell you. I sent my son to live with you on earth for a short time and through Him I have lived as a human. It's hard to understand, but it's true (some things I do will always be hard to understand). He went to earth to show you My LOVE and clear the way for a more perfect relationship between us. Long before he went, I promised the Old Testament prophets that I would send Him. They wrote it down in the Bible so that

you would recognize him when he came. Unfortunately, there were many who didn't recognize him. Worse yet, there are many today who STILL don't. Don't be one of them.

*Have any ever mastered heavenly knowledge? Have any ever caught the wind in their hands? Or wrapped up water in a piece of cloth? Or fixed the boundaries of the earth? Who are they, if you know? Who are their children? Prov 30:4 A child is born to us! A son is given to us! And he will be our ruler. He will be called "Wonderful Counselor," "Mighty God," "Eternal Father," "Prince of Peace." His royal power will continue to grow; His kingdom will always be at peace. He will rule as King David's successor, basing his power on right and justice, from now until the end of time. The Lord Almighty is determined to do all this. - O.T. Isaiah 9:6-7*

*For God loved the world so much that he gave his only Son, so that everyone who believes in him may not die but have eternal life. - N.T. John 3:16*

## **12. I'M AN AWESOME DAD -GOD**

I know that many of you are facing life's challenges without the benefit of an earthly father. I want you to know that I am here for you and that your heavenly FATHER makes an awesome Dad. I'll never leave you, die on you, ignore you, or choose someone or something else over you. I'll always be here when you need someone to talk to. I'll cheer you on in the race and pick you up when you fall. I'll teach you My ways and correct you when you need it. I haven't got any favorites... I give My love to all my children equally without exception. I want to give you gifts. I want to meet your needs every day, not just on holidays. Like a good father, My love for you knows no bounds. I only want what is best for you. I am the only one who knows what that is and I am the only one who can give this to you. I know you've been hurt before, but if you let me be your Dad, you will never hurt like that again. What more could you want in a Father?

*The Lord says. "I will teach you the way you should go; I will instruct you and advise you." - O.T. Psalm 32:8*

*The Lord corrects those he loves, as parents correct a child of whom they are proud. - O.T. Proverbs 3:12*

*Our human fathers punished us for a short time, as it seemed right to them; but God does it for our own good, so that we may share his holiness. When we are punished, it seems to us at the time something to make us sad, not glad. Later, however, those who have been disciplined by such punishment reap the peaceful reward of a righteous life.- Hebrews 12:10,11*

*Some, however, did receive him and believed in him; so he gave them the right to become God's children.-John 1:12*

### **13. LET ME BE YOUR ECSTASY -GOD**

Ecstasy. Ever heard of it? Your Webster's dictionary describes it as a state of being "beyond reason and self control". Why would someone make a pill and call it Ecstasy? Why would someone want you to be "beyond reason and self control"? Let me give you a clue. There is an enemy, he is called the father of lies. Some people call him SATAN or the Devil. He makes promises he will never keep. He is out to use you, abuse you and lose you. I want better things for you. Put on your armor and work with me towards PEACE, LOVE and real JOY with a clear mind. Let **ME** be your Ecstasy. I'm the real thing, not a deadly imitation. You'll never get ecstasy out of a bottle, a pipe or a pill. True ecstasy is a free gift from Me and when you receive it you'll wonder why you ever settled for a cheap substitute.

*Then you will always trust in God and find that he is the source of your joy -O.T. Job 22:26*

*We are glad because of him; we trust in his holy name -O.T. Psalm 33:21*

### **14. DON'T DIS THE ONES WHO LOVE YOU -GOD**

LOVE is a pretty awesome thing. Some people never find it. If you have parents that love you, you are especially blessed. Commandment #5 says: Honor your father and mother, that you may have a long, good life in the land the Lord your God will give you". It is the first commandment with a promise attached to it from Me. If your parents get on your nerves sometimes, it's probably because they love you and are concerned about you. They are also afraid of messing up themselves and not helping you to be the best you can be. Don't DIS-RESPECT 'em. It won't be long before you are in their shoes and you'll know what they're going through. In the mean time, love them and forgive them when they push you too hard. Take it from me- being a parent is tough. It really hurts when the people you love don't seem to love you back, especially when you're the one who brought them into the world.

I have also observed that a lot of time and effort is put into into gaining the respect of your so called "friends" so I find it very sad that many of you think nothing about dis-respecting the people who really love you...including Me. If you want to get respect you have to give respect and that requires a little humility. So start with respecting the one who knew you before you were born...who loved you before there was time ...the Alpha and the Omega...the First and the Last. Start with Me and you'll find that being humble and respecting your parents, sisters, brothers and everyone else in your life will come naturally. This, my friends, is the only way that you will earn the kind of respect that you're really looking for in the first place.

*Whoever makes himself great will be humbled, and whoever humbles himself will be made great - Matthew 23:12"*

*Respect everyone, love other believers, honor God, and respect the Emperor- N.T. 1 Peter 2:17*

### **15. THERE'S NO SUB FOR MY TEACHING -GOD**

There are a lot of people down there making all sorts of claims. Some people claim they can teach you to become really rich... (order now and you'll get this free video!). Others say they can teach you the keys to perfect health (this product may cause bloating, nausea, cramping, blah, blah, blah!). The ones that really irk me are the ones that make the claim that they can teach you how to achieve ultimate happiness (trust me on this one... it isn't by accumulating more money). I call them false teachers. Here's the 411...my Word, the BIBLE, is the only place where you can truly learn how to achieve success in life. By studying the bible, the perfect plan I created for your life will be revealed. No one else can teach you what I can because no one else created you, knows you and loves you the way I LOVE you. I want only the best for you. That's why there is no substitute for my teaching. **When all else fails read the instruction manual!**

Wherever your Bible is, dust it off and open it up. You've got nothing to lose and an eternity to gain!

*Be sure that the book of the Law is always read in your worship. Study it day and night and make sure you obey everything written in it. Then you will be prosperous and successful" Joshua 1:8 Your word is a lamp to guide me and a light for my path. - Psalms 119:105 Heaven and earth will pass away, but my words will never pass away Mark 13:31*

### **16. BRO. -SAVE ME A SEAT -GOD**

Let's say you're planning a trip to someplace you've never been before. As a matter of fact no one has ever been there before so there are no maps to guide you. But wait, there is one person who knows the way and he happens to be a friend of yours. Wouldn't you want him or her to travel with you to make sure that you arrive okay? Well, all I got to say to you is "Bro., save me a seat!" The road of life is full of potholes and I'm that only friend that can make sure you get where you need to go. Together we'll take the ultimate road trip. With me by your side you can accomplish spectacular things. You'll see wonderful sights and you'll experience all that life has to offer because I, your travel partner and friend, the Creator of the Universe, will be there to make sure of it. I'm not saying that it will be easy. Trust me, it won't be. However, as long as you save me a seat and listen to my directions, you will get to your final destination intact. I promise.

*If you wander off the road to the right or to the left, you will hear his voice behind you saying, "Here is the road. Follow it." - O.T. Isaiah 30:21 You may make your plans, but God directs your actions. - O.T. Proverbs 16:9*

*I will lead my blind people by roads they have never traveled. I will turn their darkness into light and make rough country smooth before them. These are my promises, and I will keep them without fail. -O.T. Isaiah 42:16*
