

Christophers Prayer

Lord

Grant that I maybe a bearer of Jesus Christ your son.

Allow me to warm the often cold, impersonal scene of modern life with your burning love. Strengthen me by your Holy Spirit to carry out my mission of changing the world or some definite part of it for the better.

Despite my failures, let me see that my advantages are your blessings to be shared with others.

Make me more energetic in setting to rights what I find wrong with the world, instead of complaining about it.

Nourish in me a desire to build up rather than tear down, to reconcile rather than polarize, to go out on a limb rather than crave security.

Never let me forget that it is far better to light a candle than to curse the darkness.

And to join my light with yours.

Amen.
