

We are too weak without Jesus Christ. These days are spent with Him. We feel like running from it all. But Jesus has gone before us. The cross renews His death. The Resurrection renews his life. And every minute, He renews His love from the cross. There is no crown without the cross. Our suffering and sacrifices are a share in His cross. In His strength, we die to whatever in us is not of Christ. This preparation in the winter of our souls, gives birth to the springtime of the Church:
