Sign of Peace

Concluding Prayer

Leader: Lord, by your death and resurrection and your presence with us this night, we have found strength and hope in your word and the promise it holds - the promise of salvation. Save us, Lord, from the dangers that surround us. Direct our steps in the ways of peace and justice. And grant us a peaceful resting this night that we may rise refreshed and ready to do your will tomorrow. We ask this in your name, Jesus, who is our Lord and Savior for ever and ever... AMEN

Reflection Mr. Tony Bellizzi

Intercessions

O Lord, strengthen all who seek you, all who knock and ask
and hope in your love to save us: be we rich or poor, young or
old, healthy or sick.

R/. Lord hear our prayer.

Give prosperity, Lord, to the members of our community.
Lighten our burdens and strengthen our faith. R/.

Direct our steps toward justice and peace and save us from
the dangers that surround us. R/.

Draw all people to yourself this night. May those who have
died find joy in your presence. R/.

In the silence of our hearts we hold the hopes and dreams of
our lives. We ask that you grant us not what we want but
rather what we truly need in order to live according to your
word. R/.

Our Father who art in heaven
