

**PRAYER TO 'MARY,
REFUGE OF HOLY LOVE'**

Mary, Protectress of the Faith, Shelter my faith in Your Immaculate Heart, Refuge of Holy Love. In the refuge of Your Heart, and united to the Sacred Heart of Jesus, Your Son, Protect my faith from all evil. Amen.

Our Lady states the Promises of this Image:

"Dear children, please know and understand that many and particular graces will come to you through this Image."

"It is a fortress against evil and should stand guard over every heart and home."

"Those that do so [accept this Image in their homes] shall not have anything to fear in these tribulations which are at hand."

"Understand and believe, My dear children, that it is the invocation 'Mary, Refuge of Holy Love, pray for us' that is your protection and your defense. Dear children, rely on the Image of My Heart that reminds you of this certain Refuge."
