

# Prodigal Tag

TOPIC: *Family*

SCRIPTURE: *Luke 15:11-32*

SUPPLIES: *1 blindfold per 2 participants*

**H**ave teenagers form pairs. One partner in each pair must wear a blindfold. The other partner should guide the blindfolded person by keeping his or her hands on the blindfolded partner's waist and shouting out directions.

Choose one pair to be "It". The object is for the blindfolded person in the "It" pair to tag another blindfolded person. As soon as someone is tagged, that person's pair becomes "It".

Play for fifteen to twenty minutes or until pairs are exhausted!

## DISCUSSION

- How did it feel to be blindfolded in this game?
- How was this game similar to being part of a family?
- What kinds of guidance can we give other members of our families?
- How do we affect our families when we make blind choices or bad decisions?
- What can we do to be better members of our families?
