

Prayer of Intercession

O Lord, grant us the grace to grow deeper in our respect of and care for your creation.

Lord, hear our prayer.

O Lord, help us recognize the sacredness of all your creatures as signs of your wondrous love.

Lord, hear our prayer

O Lord, help us turn from the selfish consumption of resources meant for all and to see the impacts of choices on the poor and vulnerable.

Lord, hear our prayer.

O Lord, spark our imagination so we might find new ways to live harmoniously with creation and new technologies to reverse the damage we have done to your Creation.

Lord, hear our prayer.

I Pledge to:

- **PRAY** and reflect on my duty to care for God's Creation and protect the poor and vulnerable.
- **LEARN** about and educate others about the causes and moral dimensions of climate change.
- **ASSESS** how I as an individual, my family, parish and school contribute to climate change by energy use, consumption, waste, etc.
- **ACT** to change my choices and behaviors to reducing my carbon footprint such as being a more energy conscious consumer and less wasteful in my use of limited resources.
- **ADVOCATE** for Catholic principles of solidarity and stewardship of God's creation in climate change discussion and decisions, especially as they impact those who are poor and vulnerable.
