

Thinking skills

1. Acquire the wisdom of big-picture thinking – does my thinking extend beyond me and my world?
2. Unleash the potential of focused thinking – concentrate to find clarity on the real issues
3. Discover the joy of creative thinking – get out of the box and find break through thinking
4. Recognize the importance of realistic thinking – does my thinking have a solid mental foundation
5. Release the power of strategic thinking – is my thinking leading to plans for today that help me reach my potential tomorrow
6. Feel the energy of possibility thinking – possibility thinking can help you find solutions to even the difficult problems
7. Embrace the lessons of reflective thinking – am I revisiting the past to gain understanding and learn from what happened
8. Question the acceptance of popular thinking – am I rejecting the limitations of common thinking
9. Encourage the participation of shared thinking – am I engaging others to expand and sharpen my thinking
10. Experience the satisfaction of unselfish thinking – am I considering others and their needs
11. Enjoy the return of bottom-line thinking – am I staying focused on results

ABOVE ALL:

AM I THINKING WITH THE MIND OF CHRIST?

HAVE I ASKED “WHAT WOULD JESUS DO?”

HAVE I PRAYED “NOT MY WILL,

BUT YOUR WILL BE DONE”?
