

# Parent Opinions

---

Give kids a "Question of the Week" to take home and ask their parents to answer. Here are questions to get you started:

- What's the most important goal in your life?
  - If marijuana were legalized, would it still be wrong to smoke it?
  - One question I'd like to ask God is...
  - How do you stand on the abortion issue?
  - What's the greatest problem facing people your age?
  - How is being a teenager today different from when you were a teenager?
  - What's the hardest part of being a parent?
  - If you could change one thing about yourself, what would you change?
- Have the kids bring their parents' answers to the next meeting to discuss and compare with their own.
