

THE GRACEFUL SIDE OF SEXUALITY

Here is a list of sexual experiences. Try to rearrange them in order so that the first experience shows the least understanding of the gift of sexual relationship, and the last experience shows the most.

- _____ a. A lonely girl in high school has an extraordinarily close attachment to her steady date. She spends every free minute she has with him, even though she pays a heavy price in parental disapproval.
- _____ b. A girl is really disgusted with men because she wants to be a friend to a boy, but he keeps being affectionate.
- _____ c. A boy has collected a number of pictures portraying nudity and spends much time in private looking at them and daydreaming about sex.
- _____ d. A very attractive girl "moves in" on others' boyfriends, just to show that she can do it.
- _____ e. An attractive, witty, intelligent and sensitive high school senior would like to date, but never has. She does not know why. You tell her.
- _____ f. A man, very much in love, gives an expensive gift to his girlfriend. She is bothered at first by the cost, but accepts it simply, realizing that it is appropriate.
- _____ g. One young man asks another who has just returned from a date, "get anything?"
- _____ h. A person engages in sex with another knowing that the love is temporary, or expresses affection at most.
- _____ i. A person makes love to another to whom he is permanently committed, to whom he is married and with whom he is raising and educating children.
