

THE "H" WORD

Reflect on these questions.

Q: Why do you think homosexuality is such a volatile issue in our culture?

Q: Do you believe there's any difference between homosexual curiosity and homosexual identity?
If so, what is the difference?

Q: Have you had any homosexual curiosity?

Q: Have you had any homosexual experiences?

Q: If someone close to you said she thought she might be a homosexual, what would you say to her?

Q: If someone close to you said he no longer wanted to identify himself as a homosexual,
what would you say to him?

Q: What questions do you have about homosexuality?

Q: To whom would you go to talk about those questions?
