

## ■ THE PLAYMATE LOCKER

Everyone seemed to like Paul. He wasn't a crude person, but his locker was full of *Playboy* magazines. He had taken them from his father's study without his dad knowing. He taped one of the centerfolds inside his locker, which became the main attraction during lunch. In fact, Paul was organizing a porno-video night next weekend when his folks were away.

Dan's locker was next to Paul's. They were sort of locker friends. Dan had never really seen much porno stuff, but as he thought about it, it sounded intriguing. Dan's folks would flip out if they knew he had ever seen a *Playboy* magazine, but Dan saw nothing wrong with looking as long as he didn't do anything.

Paul came up to Dan's locker. "Hey, Dan, what's happening? I've invited a bunch of my friends over this weekend for a video night. We're going to show some pretty X-rated stuff. Interested?" Dan didn't know what to say.
