

## GUESS WHO'S SEXUALLY ACTIVE

Reflect on these questions.

**Q:** When do you remember first having sexual thoughts and desires?  
• How did that make you feel?

**Q:** What do you usually think of when you picture a "sexually active" teenager?  
• Do you fit this category?

**Q:** Are there other ways that you are sexually active?  
• How do you typically respond to your sexual desires?  
• How do you feel about your typical response?

**Q:** Are there any ways in which you feel sexually out of control?

If so, write a letter to God about it. If not, write a letter to God about that.

DEAR GOD,
