

# ROE V. WADE

Reflect on these question by yourself or with your group.

Q: Describe your emotional reaction to the word abortion.

- Why do you think you feel that way?

Q: How do you think your views on abortion compare with those of people at your school?

- How do your views compare with those of people at your church or youth group?

Q: Maybe you've thought about having an abortion, maybe you've had one, maybe someone you've gotten pregnant had one, maybe you know someone who had one. Given all this, how has your own life been affected by abortion?

Q: Do you think you have any responsibility to act with regard to abortion? If so, what do you think you should do? Why?

- What do you think you have to gain or lose by acting on your belief about abortion?
