

WHAT IS SEXY?

Reflect on these questions.

- Q:** Is there anything you find sexy that you would have difficulty telling to your group?
- Why do you think that's difficult to talk about?

- Q:** Can you recall the first time you found that thing appealing?
- What was going on in your life at the time?
 - Can you recall what it is or was about that thing that appealed to you?

- Q:** What's your current feeling about that thing you find sexy but can't easily talk about?

- Q:** Do you ever feel isolated because you find that thing sexy?
- If so, try to think of one person you can trust with this secret.
