

### ***Prayer for Sexual Purity***

Dear Jesus

When it comes to sex; I am so far from being perfect. But I know your love is bigger than all my weakness and mistakes in life. Thank you for giving your life for me and giving me hope. Please come into my life. I ask you to be my best friend, my savior and ruler of my life. I can't promise you perfection; but you know my heart. I really do want a real and personal relationship with you. I am yours and so I choose to become a new person from the inside out. Help me in this journey of becoming a real friend and follower of you. Amen
