WOMEN'S RULES

Here are the rules every gal wants her guy to know about women.

- Girls are petty, deal with it.
- You'll never have PMS — don't act like you know what it's like.
- No matter what you say — your ex-girlfriend is a pig.
- If you did something wrong or even if you didn't — apologize.
- We are drama queens.
- We do not care about monster

trucks, video games, porn, computers or *Star Wars*.

- Shave your beard — no matter how cool you think it looks, we hate it.
- The answer is always "Of course you don't look fat, honey!"
- Don't compare our breasts with Britney Spears', hers are fake.
