

War UNENDING

Ask:

- On a scale of 1 (low) to 10 (high), how likely do you think it is that you will experience war firsthand in your lifetime? Explain your ranking.
- What do you think causes war? Do you think war is sometimes necessary? Why or why not?
- How would people need to change for war to stop? How would Christians need to change?
- What are realistic ways Christians can work for peace? What are realistic ways Christians can rely on God's power instead of the power of violence?
