

Some people work hard, but only come up with lists of nine:

1. Be so strong that nothing can disturb your peace of mind.
2. Talk health, happiness and prosperity.
3. Make your friends feel that there is something in them.
4. Look on the sunny side of everything.
5. Think only of the best.
6. Be just as enthusiastic about the success of others as you are about your own.
7. Forget the mistakes of the past and profit by them.
8. Wear a cheerful countenance and give a smile to everyone you meet.
9. Be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
