

Dream the impossible dream.

And they get you to trade
Your heroes for ghosts
Hot ashes for trees
Cold Comfort for chains
Did you exchange
A walk on part in the War
For a lead role in a cage
How I wish
How I wish you were here
Running over the same old ground
Have we found
The same old fear.
Wish you were here.

Hold fast to dreams

For if dreams die

Life is a broken winged bird

That cannot fly.

Hold fast to dreams

For when dreams go

Life is a barren field

Frozen with snow.

Langston Hughes

“Dreaming permits each and every one of us to be quietly and safely insane every night of our lives.”

Dreams are the magical journeys,
The wishes we wish on a star,
The spells of enchantment
We weave in our minds,
Adventures that call from afar . . .

Dreams are mysterious voyages,
Ships on a mystical sea,
Dreams are reflections
Of all that is now,
And visions of all that can be.

If you can dream it, you can do it.

Now there's no limit to your ability. To
dream.
