

THE WORLD WE DREAM OF

- People come before anything else.
- Everyone has a home - a place to fit in and belong.
- Healing for suffering.
- Everyone can make a contribution.
- One world vs. nationalism.
- Spirituality with no connection to money.
- Respect and care for the environment.
- One world religion with no prejudice.
- Equality in possessions - provide all needs.
- Animated, cartoon world.
- Equality among races - no discrimination.
- Able to have fun and enjoy yourself wherever you go. Common understanding that we are all here to make life great.
- Able to be yourself and not afraid to be vulnerable - no defenses. To be accepted and appreciated for individuality.
- Able to break through make new contacts.
- More joy.
- More courtesy and respect - free of suspicion and fear, ignorance, and arrogance.
- Free of self interest alone.
- Free for self-expression and personal goals. Not pressure to fit into the machine.
- Where vision is beyond self-gratification.
- Guidance and teaching are given through example - education.
- No hostility, insecurity and intolerance towards difference where anything goes.
- More compassion and empathy.
- Less judgement and greater consideration of feelings.
- Greater sense of and experiences of community and belonging.
- No religious hypocrisy and non-tolerance.
- More expression of feelings.
- Personal and global vision and attitude beyond self.
- No drugs - natural highs.
- Equality between men and women.
- Greater cooperation, simplicity and sharing and playing together like little kids world.
- Greater self-respect and esteem.
- Acceptance of sexual orientation.
- Change starting with the individual.
- No enslavement or mistreatment of all life forms.
