

# GOALS

## Life Goals

---

Hand out the following list of goals (adding any others that you want) and ask the kids to rate them as "Got to have it," "Would be nice," or "Not necessarily for me."

When they've finished, have the kids look up the following Scripture passages and determine what they have to say about setting goals: Psalm 27:4; 1 Kings 3:5-15; Philippians 3:7-10.

Next, have the kids list their top three goals, along with ways to achieve them.

1. A great family life without any hassles.
2. All the money I want.
3. Never to be sick or seriously injured.
4. To find a good-looking and fulfilling mate.
5. To do what I want when I want.
6. All the power the President has.
7. To be the best-looking person.
8. A great hunger for the Bible and prayer.
9. To be able to understand all things.
10. To eliminate all hunger and disease in the world.
11. To be always super-close to God.
12. Never to feel lonely or put down.
