

GUIDE TO A HAPPY LIFE

- Make it a habit to do nice things for people who will never find out
- Learn to listen. Opportunity knocks very softly.
- Never give up on anybody. Miracles happen everyday
- Leave everything a little better than the way you found it
- Think big thoughts, but cherish small pleasures
- Become the most positive & enthusiastic person you know
- No one will ever get out of this world alive so therefore resolve to maintain a reasonable sense of values.
- Take care of yourself. Good health is everyone's major source of wealth. Without it happiness is almost impossible.
- Resolve to be cheerful and helpful. People will repay in kind.
- Avoid angry and abrasive persons, they are generally vengeful.
- Avoid zealots. They are generally humorless.
- Resolve to listen more and talk less. One rarely learns by talking.
- Be wary of giving advice. Wise men don't need it and fools won't head it.
- Resolve to be tender with the young, compassionate with the aged, sympathetic with the striving and tolerant of the weak & the wrong. Sometime in life you'll be all of these.
- Don't equate money with success. There are many who are successful financially who are miserable failures as human beings
