

# 3

# Living on purpose is the path to peace.

What drives me? Guilt?, Anger?, Fear?, Materialism?, Need for Approval?

Knowing my purpose:

\* gives meaning to my life

\* focuses my life

\*prepares me for heaven

\* simplifies my life

\* motivates my life

You Lord give perfect peace to those who keep their purpose firm  
and put their trust in you. *Isaiah 26:3*

What would my family and friends say is the driving force of my  
life? What do I want it to be?
