

PHOTOGRAPH by MELANIE ,PHOTGRAPH ALBUM 1976

Do you have a photograph when you were still in high school
Were you happy in it, little reason lots of rhyme
Were you happy in it at the time?
Way back in your memory, do you recall the line
When your heart was in it
But your reason changed your mind
Did you love forever at the time?

Are you living here and now, or in the moments past
Is new tomorrows memory and will the memory last
How much of this will pass?

Do you have a photograph when you were only growing
And your heart was in it but your reason changed your mind
When you loved forever, but your reason changed your mind
The songs that you once loved to sing
Are ones that make you cry
And wouldn't you just give it all to never say goodbye
We once lived in forevers, but we learned to say goodbye...

Do you have a photograph when you were only growing
And your heart was in it, little reason lots of rhyme
Were you happy in it, but your reason changed your mind?
Did you love forever, but your reason changed your mind?
Were you happy in it at the time?

Is what you wanted long ago gone from your mind
Asks a ghost in dreaming, or a friend you left behind
The songs that you once loved to sing
Are the ones that make you cry
And wouldn't you just give it all to never say goodbye..goodbye...
