

THE RULES FOR BEING HUMAN

- 1. You Will Receive a Body.** You may like it or hate it, but it will be yours for the entire period this time around. The choice is yours.
- 2. You Will Learn Lessons.** You are enrolled in a full-time informal school called life. Each day in this school you will have the opportunity to learn lessons. You may like the lessons or think them irrelevant and hence choose to ignore them, no matter, keep reading.
- 3. A Lesson Is Repeated Until Learned.** A lesson will be presented to you in various forms until you have learned it. When you have learned it, you can then go on to the next lesson.
- 4. There Are No Mistakes. Only Lessons.** Growth is a process of trial and error, experimentation. The "failed" experiments are as much a part of the process as the experiment that ultimately "works."
- 5. Learning Lessons Does Not End.** There is no part of life that does not contain its lessons. If you are alive, there are lessons to be learned.
- 6. "There" Is No Better Than "Here."** When Your "there" has become a "here" you will simply obtain another "there" that will, again, look better than "here."
- 7. Others Are Merely Mirrors Of You.** You cannot love or hate something about another person unless it reflects to you something you love or hate about yourself.
- 8. Your Answers Lie Only Inside You.** The answers to life's questions lie only inside you * All you need do is look, listen, and trust.
- 9. More Than One Of These Rules may be Wrong.** One of life's assignments is to figure out which are the wrong rules.
- 10. You Will Forget All This.**
