"I Would Rather...."

In the margin next to each number, place an N, S, O, or A to represent how often you would rather do the activity in column one instead of that in column two. Disregard the statements that are impossible for you. Read the statement straight across, that is, #1 in column one with #1 in column two. This is not a matching game

I would NEVER, SOMETIMES, OFTEN, ALWAYS

rather do: (column 1)

Salutula than

than: (column II)
