

# WHAT'S YOUR OPINION?

- 1 Movies, music videos, video games, television and the Internet encourage disrespect, violence and immorality in our culture.
- 2 Movies, music videos, video games, television and the Internet simply reflect the truth about our culture.
- 3 People who don't like today's media simply should not watch and listen.
- 4 People learn about life from today's media.
- 5 Parents should be able to control what their teenagers watch and listen to.
- 6 I've learned a lot about good and evil, right and wrong from TV, movies, magazines and the Internet.
