

A WARRIOR WITHOUT WEAPONS

Distribute **Bibles** and recruit three volunteers to read aloud 1 Samuel 17:41-51, each taking one part: David, Goliath, narrator.

Then ask group members to retell the story in contemporary terms: setting, weapons, enemies, issues at stake, etc. Ask:

- God plays an important role in David's story. What does God do in our story?
- What might our story suggest about today's problems with weapons and violence?
