

The Good Samaritan Today adapted from Luke 15:30-36

There was once a * _____ who was going from _____ to _____ when ** _____ attacked him, took his _____, beat him up and left him half dead. It also happened that a _____ was going down the same street, but when he saw the * _____, he walked on by, on the other side. In the same way, a _____ also came there, went over and looked at the * _____, and also walked by, on the other side. But a *** _____ who was going down that street, but when he saw the * _____, he felt really sorry for _____.

He went over to _____, put his jacket over him to keep him warm, and, since he didn't have a cell phone, put him in his car and drove him to the emergency room. There was an emergency room charge of \$35.00, which the injured * _____ didn't have, so the *** _____ put it on his credit card. And Jesus concluded, "in your opinion, which one of these three acted like a neighbor toward the * _____ attacked by the ** _____?"
