

**ARE YOU LEADING AUTHENTIC DISCIPLES? ARE YOU
HELPING CALL KINGDOM WORKERS?
THE PASSION OF A GENERATION IS WAITING...**

*"As youth leaders, our job isn't to somehow
vrestle up **PASSION** for our kids; they have plenty. What
they need are environments that allow them to develop a
sense of **WONDER** - an **AWE** about who God is. That
AWE, directed by the Holy Spirit, ignites that **PASSION**
for Christ that leads them to become authentic disciples
living in the context of a Christ-centered community with
a **KINGDOM** trajectory."*
