

Journal Sheet

_____ is someone that I look to as a model of Christian leadership.

- List some of the actions, traits, and characteristics that identify this person as a Christian leader.

- What aspects of Christian leadership are you already aware of and acting on in your daily living?

- What aspects of Christian leadership do you want to think about more and work at developing more fully?

- What trait in the leader that you profiled would you like to gain?

- What trait or quality about Jesus would like to gain? How about other people in the Bible?
