

## **Classroom Management**

1. Did you set guidelines as to how you expect the class to behave? In other words, what is acceptable and what is not acceptable in your class?
2. Are you staying within those guidelines?
3. Does your class follow a specific pattern, or do you run your classes differently each time you meet?--In other words, do your students know what to expect? For example:
  - A. Collect needy money.
  - B. Read announcements.
  - C. Ask a ritual question or light the Jesus candle?
  - D. Proceed with your class plan.
  - E. End with a bible reading.
4. How do you deal with the *needy student* or the *trouble maker* or the *quiet student*?
5. What activities are you using to get your ideas across? Videos, cut and paste, readings, role playing etc.
6. What are your own expectations about what you expect to get out of teaching? Are you talking to other teachers to see what they are experiencing in the class?
