

BEDROOM BLITZ

If handled with plenty of preparation, the Bedroom Blitz can be a great get-acquainted activity that allows kids to informally learn about each other, show other kids where and how they live, and permit the group to meet other kids' parents.

The event would begin at the church and either end at a home or the church for a special party or become a progressive dinner so the kids eat at each home they visit.

The kids then travel by car or bus to previously selected and prepared homes of young people in the group. Each young person should have a copy of page 180 and fill it in as each home is visited. At the last stop awards could be given away for the Messiest Room, the Funkiest Room, the Smallest Room, the Biggest Room, the Smelliest Room, and
