

## CANDY-GRAMS

---

For this simple and fun game all you'll need are some straws, two drinking glasses, and a supply of small candy such as M&M's or Skittles.

Place the candy on one table, and then place the glasses on another table 25 feet away. Each player has to suck a piece of candy onto the end of a straw and run it over and dump it into their glass. If the candy falls on the ground, the player can decide to suck it off the ground or just go back for another. Players have one minute to get as many pieces into his or her glass as possible, and the winner is the person who manages to get the most in the glass.
