

CHURCH FAMILY FEUD

Here's an idea for drawing your congregation into your youth ministry.

Create a survey with 15 or 20 questions that could have multiple answers, such as "What is your favorite hymn?" or "What is your favorite table game?" Hand it out to church members before or after worship. Use the survey answers to organize your own Church Family Feud game show. Invite parents. Form two teams of kids and adults, pick an emcee and ask teams to decide the most popular answers to the survey questions.
