ONCE-A-YEAR BIRTHDAY PARTY

This idea is excellent for groups of all ages.

Decorate a large room for a birthday party. Arrange 12 tables and decorate each according to the events of that particular month in the year, e.g., swimming in June, Halloween in October. Make a birthday cake for each month and set it at the appropriate table along with ice cream and party favors.

Invite each person in the group to sit at the table corresponding to their birthday month. The program could include awards recognizing the oldest person, the youngest, the person with a birthday on
