

## ONE-ON-ONE BROOM BALL

### TRY THIS ONE: **GAME**

**All you need are two brooms, a ball, two goals...then just add fun!**

Have your group form two teams, and give each team a broom. Place the ball in the center of your playing area, and ask each team to line up against opposite walls near the goals. Have team members each put one hand on the wall, and have one player hold the broom. Then have teams number off, so that each team member is assigned a number.

To begin play, call out a number. The two people assigned that number will each

grab a broom and run to the ball to play against each other and try to score. These two opponents will continue playing until you call out another number; then they'll drop their brooms and allow the two people assigned to the new number to run to the brooms and continue playing.

If a player scores, team members will return to their teams' walls to wait until another number is called.

The greatest battles are between girls and guys!
