

# SOAP SCULPTURE

Give each pair of players a can of shaving cream. They should shoot a large glob of cream onto a table covered with plastic or onto a plate. Give them two minutes to sculpt it into anything they want. The audience judges the best job.

# SPAGHETTI ON TOP ✓

Give several pairs of volunteers a bowl of cold, cooked spaghetti. Have one person in each pair arrange a spaghetti hairstyle on his or her partner's head within one minute. Present awards in various categories such as most natural hairstyle, weirdest, etc.

# SQUIRM RACE ✓

Place a volleyball (or ball of similar size) between the foreheads of a pair. Without using their hands, they must work the ball down to their knees and back up again. Their hands must be kept behind their backs, and the two must start over if they drop the ball.
