The Weakest Link... ANSWERS

1: Answer: If you answered that you're now coming first then you're completely wrong. You overtook the second runner and took their place, therefore you're coming second.

2 : Answer: If you answered second-last, once again you're completely wrong. Think about ...How can you over take the person coming last? If you're behind them then they can't be last.The answer is impossible!

3 : Answer: 5000??? Wrong again!!!!
The correct answer is 4100.

4 : Answer: Chuchu??? WRONG!
