

Wild Predictions

Below are a list of crazy forecasts. Get in groups of 8 or more and try to match the people in your group to something wild that they will accomplish in their lifetimes. (Don't take it too seriously; it's meant to be fun!) Which of the following would you choose for each of the members of your group? After you have read through the list and jotted down people's names in silence, ask one person to read the first item and everyone call out the name of the person they selected. Then, move on to the next item, etc.
