

# YOU BELONG!

**TIME** 15–20 minutes

**THE GAME** Ask players to form groups as quickly as possible as you call out the different criteria:

- › Form a group of two players; now four; now six.
- › Form a group of six people wearing athletic shoes (or a particular shoe color).
- › Form a group of people in which at least one person wears red socks (or no socks).
- › Form a group of people wearing red shirts, white shirts, and blue shirts (or another color pattern at your discretion).
- › Find a person who shares your birthday month, and sing “Happy birthday to us!”
- › Form a group of three, each with the same eye color (for variety, make it each with a different eye color).
- › Form groups of morning people and late night owls.

Do this several times. Keep the pace fast!

## GOING DEEPER

- › What other groupings would be interesting to explore?
- › What new information, if any, did you learn about others in the group?
- › Why is it important to recognize the wide range of subgroups that exist within our group? Any group?
