

## You Remind Me Of ..

Write your name on a slip of paper and put it in a hat. Let everyone in the group select a name from the hat, but don't tell anyone who you have chosen. Select an aircraft, a national park and a famous person that best describes the person you have chosen. When everyone is finished, read out loud the particular aircraft, national park and famous person you selected, and see if the group can guess who you are describing.
