

As a Student never failed a course	Was hit by a teacher	Can't Wait till June	Believes their subject or grade Level is the hardest	Loves Junk Food
Has taken naps after school	had continuous Catholic Education	Is having the toughest year of their teaching career	doesn't mind marking test papers	Fights traffic coming into work
Once failed a math class	played 2 or 3 Sports every year in School	Was an honor Society member	attended Summer school	cut class as a Student
has difficulty following directions	Is in Graduate School	Would like to be a Principal someday	would not stop teaching if won Lottery	Is teaching a Subject That was not your best as a Student
currently having their favorite year or class	teaching more than 10 years	hated school as a child	Believes teachers are underpaid	has actually received an apple
