

NAME SEARCH

The purpose of this activity is to get people who don't know each other to become familiar with the names of everyone in the group. Make sure there are no lists containing the names of the group visible anywhere; instead, put a large name tag on each person.

Give each person a word search puzzle with every person's name somewhere in the puzzle.

Of course, to do the puzzle, people have to know the names they are looking for, which means there will be a lot of walking around and looking at name tags.
