

## paper plate awards

**We have a tradition of meeting after mission trips to pass out our Paper Plate Awards.**

Prior to the trip recruit some creative kids to be the Paper Plate Committee. Their job is to create an award for each participant. It's just what it sounds like: a paper plate. But it's been lovingly decorated with quotes, inside jokes, or inspirational messages by the committee to commemorate events from the trip. The awards can be funny or serious, and we make sure we include everyone's. The kids display them prominently in their rooms.
