

## Reflection: Judgment Sheet

Check any group of people you find it difficult to accept or have preconceived ideas about. After completion discuss your feelings with your group.

- |                                             |                                                                 |
|---------------------------------------------|-----------------------------------------------------------------|
| <input type="checkbox"/> pregnant teenagers | <input type="checkbox"/> shoplifters                            |
| <input type="checkbox"/> smart kids         | <input type="checkbox"/> people who attempted suicide           |
| <input type="checkbox"/> jocks              | <input type="checkbox"/> people who had abortions               |
| <input type="checkbox"/> artistic kids      | <input type="checkbox"/> certain nationalities                  |
| <input type="checkbox"/> homosexuals        | <input type="checkbox"/> certain ethnic or racial groups        |
| <input type="checkbox"/> drug addicts       | <input type="checkbox"/> people who are religious               |
| <input type="checkbox"/> kids who drink     | <input type="checkbox"/> teens who like a certain type of music |

Is there any type of kid or any type of problem that as a helper you would be judgmental about?
