

Promise to the teens of Relig.

I am your teacher/ youth minister,
your friend second.
To the best of my abilities,
I will never abandon you.
I will never stop praying for you and on occasion
I will lecture you, and never stop
reaching out to you because I love you.
Other than your parents and a few others,
you will never have anyone who cares about,
and prays for you more than me.
If you don't get angry with me
at least once in your life- I didn't do my job.
