

A TALE OF TWO GODS

There are two Gods.

The god our teachers teach us about,
and the God Who teaches us

The God about whom people usually talk,
and the God who talks to us

The god we learn to fear,
and the God who speaks to us of mercy.

The god who is somewhere up on high,
and the God who is here in our daily lives.

The god who demands punishment,
and the God who forgives us our trespasses

The God who threatens us with the torments of Hell
and the God who shows us the true path

A God who casts us off because of our sins,
and a God who calls to us with His love.
